- Provide First Aid | National Police Clearance

Achievements and Highlights

Mount Monger Gold Project ($200M)
Successfully led over 120 personnel across a 45km work front, achieving 1M bcm/month haulage for the Red 5/Silverlake JV. Delivered first ore to the Myhree mill two months ahead of schedule.

Major Project Delivery at NRW Civil & Mining (2016–2023)
Oversaw full-cycle execution of high-profile projects including:

- Iron Bridge TSF & Infrastructure ($160M)
- Koodaideri Phase 1 ($95M)
- Dalgaranga Gold Project ($324M)
- Altura Pilgangoora Lithium ($110M)

Roles encompassed scoping, HSE leadership, commercial oversight, and contractor management.

Cornish Gold Project ($130M) – Watpac Mining
Delivered the Southern Cross WA project as Senior Project Manager, ensuring operational excellence.

Solomon Project – FMG Ramp-Up – Leighton Contractors
Managed over 1,000 personnel, driving a 300% production uplift in just six months.

Koolyanobbing Operations ($300M+) – Cliffs Natural Resources
Delivered expansion outcomes through strategic contractor leadership and operational management.

Feasibility Leadership at BHP Iron Ore (2003–2011)
Led multiple feasibility and pre-feasibility studies for Jimblebar and Area C developments under the RGP6 initiative.
